

## Board & Batten

Installed vertically as siding, Delta Metals Board & Batten recreates the rustic look and feel of traditional board & batten in steel, the toughest most durable and long lasting siding material possible. Our new profile is available in 29 gauge metal as a siding option for you business or home.

**26**  
Gauge

**3/4"**  
MAXIMUM  
RIB HEIGHT

Concealed fastening surface for that hidden fastener look.

Unique lap groove that hides the overlap providing a smooth, clean appearance.

### Important Disclaimers:

- **NOT** recommended for over 10' panels  
Use freeze boards where possible
- Do **NOT** use a fastener with a rubber washer  
Use a pan screw
- Needs to freely hang, like vinyl siding  
In order to reduce oil canning
